3) Purposes and legal basis of data processing

DFC-SYSTEMS stores and uses your data for information, communication, contract initiation, contract fulfillment and customer service. Your data will not be passed on to third parties (other persons or companies).

4) Duration of storage

Data will be stored at least for the duration or initiation of the contract or beyond, insofar as this is required by law.

5) Your rights

- Information:
  You have the right to obtain information as to which data has been stored at any time.
- Correction:
  You have the right to have your data corrected at any time.
- Deletion:
  You have the right to have your data erased at any time, unless otherwise required by law.
- Contradiction:
  You have the right to object to the processing, use and transfer of your data at any time.
- Complaint:
  You have the right to lodge a complaint with the relevant data privacy supervisory authority.

6) What we need your data for

The collection of your data serves the purpose of communication, information and contract processing. Failure to provide this data would mean that the contract cannot be processed.
